

THE VIRGINIA ENGINEER

VAENG.COM Electronic Banner Order Form

Marketing opportunities at www.vaeng.com include electronic banner advertising located on our site landing page, on the landing page for each Directory, and on each Area of Specialization and Category landing page. A complete list of the different Areas of Specialization or Category options is available on the landing page of each specific Directory. Banner ads are available on quarterly or yearly terms, and firms may choose to appear on as many different pages as desired. We can create your banner, or you may provide your own 120pxW x 60pxH. Files should be sent as either .gif or .jpg format file attachments. Space is limited and placement is based on a first-come, first-serve basis. Orders cannot be placed for terms longer than one year, but can be renewed as often as desired.
